

Academic Search™

Dear students and researchers,

Looking for a simple, yet powerful way to search thousands of academic journals at once?
Academic Search is the tool to use, and it is available at our NUS library.

Delivering just the results you need, *Academic Search* covers a broad range of disciplines, including:

- Biology
- Chemistry
- Engineering
- Ethnic and multicultural studies
- Geology
- Law
- Mathematics
- Music
- Pharmaceutical sciences
- Psychology
- Religion and philosophy
- Science and technology
- Veterinary science
- Women's studies
- Zoology

Visit the library soon and ask me about accessing *Academic Search*.
