

Business
Source®

Dear researchers and students,

Looking for a simple, yet powerful way to search across all of the most important business journals?
Business Source is the tool to use. It is the world's definitive business database, and it is available at our NUS library.

Business Source features many resources to make your research easier, including:

- Financial data
- Books
- Industry and market reports
- Company profiles

Also, it covers the areas that interest you:

- Marketing
- Management
- Accounting
- Banking and finance
- Regional business

Visit the library soon and ask me about accessing *Business Source*.
